

# JKG BIO SCIENCE PVT. LTD.

*Serving Science Since -2003*

RO: 6D MIG DDA Flats, Shivam Enclave, Delhi 110 032, Mobile: +91-9968235954

AO: 203-205, Devika Tower, Chander Nagar, Ghaziabad 201010, Tel: 0120-4575127.

Email: [info@jkgbioscience.com](mailto:info@jkgbioscience.com), [sharmasarveshj@gmail.com](mailto:sharmasarveshj@gmail.com), Website: [www.jkgbioscience.com](http://www.jkgbioscience.com)

## PRODUCT LIST

We are Authorized distributor of:

- Percival Scientific Inc., USA ([www.percival-scientific.com](http://www.percival-scientific.com))
- Tomy Digital Biology Co., Japan (<http://www.digital-biology.co.jp>)
- Plant-DiTech LTD, Israel (<http://www.plant-ditech.com/>)
- CDR E. CHRYSAGIS, Greece (<http://www.chryssagis.eu>)
- Environmental Growth Chambers, USA ([www.egc.com](http://www.egc.com))
- CLF Plant Climatic, Germany ([www.plantclimatics.de](http://www.plantclimatics.de))
- Photon Systems Instruments (PSI), Czech (<http://www.psi.cz/>)
- MRC Ltd Israel (<http://www.mrclab.com>)

## Percival Scientific Inc., USA

[www.percival-scientific.com](http://www.percival-scientific.com)

01. Cooled Incubator's (Storage, Pathology)
02. LED Plant Growth Chamber
03. Plant Growth Chambers
04. Plant Tissue Culture
05. Low Temperature Chambers
06. Arabidopsis Chamber
07. Walk in Plant Growth Chamber
08. Dew Formation Chamber
09. Seed Germination
10. Seed Storage chamber
11. Algae Chamber
12. Drosophila Chamber
13. Mosquito Chamber
14. C-elegans Chamber
15. Insect/ Entomology Chamber
16. Chamber for Climate change studies
17. Water testing chamber
18. LED/ UV/CO2 Light option in above units

## Tomy Digital Biology Co., Japan

[www.digital-biology.co.jp/manufactured/](http://www.digital-biology.co.jp/manufactured/)

01. High Speed Refrigerated Micro Centrifuge (50ml-20000xG) (Rack in the Rotor Concept)
02. Autoclave Digital
03. High Speed Refrigerated Centrifuge (1000mlx6, 25000rpm-60110xG)
04. Centrifugal Concentrator
05. Autoclave with Drier
06. Retort Autoclave
07. Bead Cell Disruptor
08. Ultrasonic Disruptor
09. Mini Vacuum Centrifugal Evaporator.
10. Micro Tube Mixer
11. Micro Centrifuge
12. Low Speed Bench top centrifuge

## Plant -DiTech Ltd

[\(http://www.plant-ditech.com/\)](http://www.plant-ditech.com/)

**01 Plantarray** is a high-throughput, multi-Sensor physiological phenotyping Gravimetric-based platform.

02 SPAC (Soil-Plant-Atmosphere-Continuum) Analytics is cloud-based Software that performs **real-time Statistics, analysis and productivity Prediction.**

## CDR E. CHRYSSAGIS, Greece

<http://www.chryssagis.eu/>

### **Quality control testing appliances**

01. Seed Storage Chamber
02. Shaker Incubator with Light and CO2
03. Concrete specimen curing rooms (Transportable/ Modular)
04. Freeze & Thaw test chamber
05. Mortars & concrete specimen curing Tanks
06. Thermal shock failure test chamber For rendering mortars
06. Accelerated concrete curing tank

### **Agriculture - Biology - Industrial laboratory appliances**

01. Grain samplers
02. Graft plant acclimatization rooms
03. Aphid suction traps Etc.

## Environmental Growth Chambers, USA

[www.egc.com](http://www.egc.com)

1. Day-Lit Plant Growth Chambers
2. Root Zone Cabinet R-1

## CLF Plant Climatic GmbH, Germany.

<http://www.plantclimatics.de>

1. Gro Banks for use in Cold Rooms/ Chambers
2. Flora LED Modules, Flora LED Chambers, Flora LED Lamp Banks

---

## **Photon Systems Instruments (PSI), Czech**

<http://www.psi.cz/>

01. Hand Held Devices for Photosynthesis, PRI, NDVI, N2, Spectra pen, Leaf Area Index, Aqua pen etc.

## **MRC Ltd Israel**

<http://www.mrclab.com>

01. Stackable Incubators Shaker (light/ co2)
02. Shaker Incubators (Micro plate, Tube, Mixer Shaker, Bench top, Refrigerated, Large Capacity, double door)
03. Water Baths (unstirred, stirred, circulation, Orbital shaking, reciprocal)
04. Hybridization Oven
05. Incubators (BOD)
06. Multi room Incubator
07. Shakers (Orbital Bench Top, Large Orbital, Heavy Duty, Rockers/Wavers, Twist/ reciprocating, Digital, Plate, Tubes Mixers, Small Orbital/Funnel)
08. Ovens (Drying for solvents, 600°C High Temp)

## **Others**

01. Light Meter for PAR/UV/IR
02. Lamp Banks for Tissue culture rooms, Incubator shaker, Plant Growth Chamber etc. for various application.
03. Upgrade to existing units
