

JKG BIO SCIENCE PVT. LTD.

Serving science since -2003

RO: 6D MIG DDA Flats, Shivam Enclave, Delhi 110 032, Mobile: +91-9810659284

AO: 203-205, Devika Tower, Chander Nagar, Ghaziabad 201010, Tele/Fax: 0120-4575127,

Email: info@jkgbioscience.com, sharmasarveshj@gmail.com, Website: www.jkgbioscience.com

Product List

PRODUCT LIST

We are Authorized distributor of :

- Percival Scientific Inc., USA (www.percival-scientific.com)
- Environmental Growth Chambers, USA (www.egc.com)
- CLF Plant Climatic, Germany (www.plantclimatics.de)
- Tomy Digital Biology Co., Japan (<http://www.digital-biology.co.jp>)
- ZIRBUS Technology, Germany (www.zirbus.de)
- UNIEQUIP, Germany (www.uniequip.com)
- MRC Ltd Israel (<http://www.mrclab.com>)
- CDR E. CHRYSSAGIS, Greece (<http://www.chryssagis.eu>)

Product List

Percival Scientific Inc., USA

www.percival-scientific.com

01. Incubator's
02. LED Chamber
03. Plant Growth Chambers
04. Plant Tissue Culture
05. Low Temperature Chambers
06. Arabidopsis Chamber
07. Environmental Control Rooms
08. Dew Formation Chamber
09. Seed Germination
10. Seed Storage chamber
11. Algae Chamber
12. Drosophila Chamber
13. Insect/ Entomology Chamber
14. Chamber for Climate change studies
15. Water testing chamber
16. Options for Co2 in above Units
17. LED/ UV Light option in above units

Environmental Growth Chambers, USA

www.egc.com

1. Day-Lit Plant Growth Chambers
2. Root Zone Cabinet R-1
3. Lighting Options (Wet-Lyte, Sun-Brella® HID Fixtures)
4. Shelf Lit Rooms
5. Paper Testing Rooms
6. Entomological Research Chambers
7. Dry Box
8. Gas Exchange Chamber
9. Hydroponics
10. Feed On Demand System

CLF Plant Climatic GmbH, Germany.

<http://www.plantclimatics.de>

1. Gro Banks for use in Cold Rooms/ Chambers
2. Flora LED Modules, Flora LED Chambers, Flora LED Lamp Banks
3. Walk-in-Growth Rooms
4. Customized Walk-in Chamber with Flora LED as per Requirement.

Tomy Digital Biology Co., Japan

www.digital-biology.co.jp/manufactured/

01. High Speed Refrigerated Centrifuge (1000mlx6, 25000rpm-60110xG)
02. High Speed Refrigerated Micro Centrifuge (50ml-20000xG) (Rack in the Rotor Concept)
03. Centrifugal Concentrator
04. Autoclave Digital
05. Autoclave with Drier
06. Retort Autoclave
05. Bead Cell Disruptor
06. Ultrasonic Disruptor
07. Mini Vacuum Centrifugal Evaporator.
08. Micro Tube Mixer
09. Micro Centrifuge

ZIRBUS Technology GmbH, Germany.

<http://www.zirbus.de>

1. Laboratory Autoclave (24-72 Litres Tabletop)
2. Floor Standing Autoclave (72 -900 litres)
3. Production Scale Autoclave (586 to 5060 Litres)
4. Wash water sterilizers
5. High Pressure autoclaves (50 to 5000 litres Up to 200 bar)
6. Lyophilizers- Lab and Production scale (up to 50m2)
7. Rotary Dryers, Vacuum Drying Cabinets

UNIEQUIP GmbH, Germany

<http://www.uniequip.com>

1. Chromatography Cabinet
2. Vacuum Concentrator
3. Freeze Drying Table top.
4. Hybridization Incubators, Shakers
5. Dot/Vacuum Blotter, Gel Dryer
6. Laminar Flow, Fume Hood
7. Lab Autoclave

Product List

MRC Ltd Israel

<http://www.mrclab.com>

01. **Balances** (Micro mg to 120kgs)
02. **Water Baths** (unstirred, stirred, circulation, Orbital shaking, reciprocal)
03. **Dry Baths (Heating, Cool/Heat, COD Thermo reactor, Shakers)**
04. **Heating Mantles** (Spill Proof, Digital, Analogue, Multi electro mantle Extraction Heaters,)
05. **Hotplates** (300°C Aluminium Top, Digital & Programmable, Large, Incinerator/Sand, Ceramic top)
06. **Hotplate Stirrers** (Aluminium Top, Digital & Programmable, Multi Position)
07. **Hybridization Oven**
08. **Incubators** (Natural Convection, Forced Convection, Low Temp – BOD etc)
09. **Shaker Incubators** (Micro plate, Tube, Mixer Shaker, Bench top, Refrigerated, Large Capacity, double door)
10. **Incubators (Co₂, Water Jacket-Heap Filter, Air-Jacketed, High Heat, Large Capacity, Parrot Eggs, Brooder for Chicks)**
11. **Ovens** (Natural Convection Drying, Forced Air 205°C, Horizontal Air Flow 300°C, Forced Air 300°C, 200°C Large Capacity, Forced Air Horizontal Flow 200°C)
12. **Ovens Vacuum (Economy, Analogue)**
13. **Ovens (200°C, 300°C Clean Room)**
14. **Ovens** (Drying for solvents, 600°C High Temp)
15. **Shakers** (Orbital Bench Top, Large Orbital, Heavy Duty, Rockers/Wavers, Twist/ reciprocating, Digital, Plate, Tubes Mixers, Small Orbital/Funnel)

CDR E. CHRYSSAGIS, Greece

<http://www.chryssagis.eu/>

Quality control testing appliances

01. Concrete specimen curing rooms (Transportable/ Modular)
02. Freeze & Thaw test chamber
03. Mortars & concrete specimen curing Tanks
04. Thermal shock failure test chamber For rendering mortars
05. Accelerated concrete curing tank

Agriculture - Biology - Industrial laboratory appliances

01. Grain samplers
02. Graft plant acclimatization rooms
03. Aphid suction traps Etc.

Other (Make in India)

01. Customized Solid State Lamp racks
02. Customized PBR
03. Photosynthesis and other products
04. Light Meter for PAR/UV/IR
05. Customized Plant Growth Chamber.
06. Customized Incubator shaker.
07. Lamp Banks for Tissue culture rooms, Incubator shaker, Plant Growth Chamber etc. for various application.
08. Solar power enabled back up system for various lab equipment's.
